

What is Garner?

Now that you've got Garner,
you can afford to get the healthcare you deserve!

Garner is free because your employer cares about your health.

Garner is a free innovative benefit that helps you find the highest-quality doctors in your network and helps cover your medical bills when you see them.

To receive your Garner benefits, you must sign up **before** you see your doctor. To sign up, you can scan the QR code below or go to getgarner.com/start.

After you sign up, you can browse doctors, message your Concierge and explore how the Garner app works.

Garner finds the best care for you and your family.

Garner provides a doctor search tool that helps you find the highest-quality doctors in your network.

Garner shows you the top providers in your area who are in your network. Find doctors by using the Garner Health app or by calling your Concierge.

Garner recommends doctors who have a history of:

- Accurately diagnosing health issues
- Successfully treating patients
- Receiving excellent patient reviews

Garner pays your out-of-pocket medical bills.

Garner pays up to **\$ 2,000** for individuals and **\$ 4,000** for families.

Garner pays for your copays, X-rays, imaging, surgeries and any other medically necessary procedure that's covered by your health plan. To be reimbursed by Garner, before you see a doctor, you must sign up, and then add your doctor to your account.

You can sign in to your account and search for doctors through the Garner website or Garner Health mobile app. Any doctors found via the search are automatically added to your account. You can also contact your Concierge to find a doctor.

Garner has no financial relationships with doctors. Recommendations are based solely on independent analysis, not commissions or fees.
